

Greetings!

For those of you who listen to **Good News in the Morning** every week, either on CFRA or on-demand from our web site, you are invited to one of our periodic special events this Saturday. If you are not yet a listener, you are also invited. Come and hear what we are doing to attract large numbers of listeners from around the world. This will include a sit-down luncheon, with plenty of opportunity to ask questions of our preachers and board members.

There is no cost for admission, but an offering will be taken in support of the ministry. We are really looking forward to meeting you, our listeners in Ottawa.

Blessings to all!
