Reverend John Counsell tells all

John Counsell, one of the best known and loved radio broadcasters in Ottawa, will tell us of his dual life as pastor and broadcaster, and what he has learned along the way. Host of CFRA's 'Ask the Pastor' and pastor of the Bikers Church, John has had a long journey with The Lord and shows no sign of slowing down any time soon. As fellow broadcasters on CFRA we have many passions and interests in common.
